

TITAN Fuel Tanks TECHNICAL BULLETIN

June 19, 2012

REGARDING: DODGE, Series 2010 Crew Cab, Short Bed (7030210) tank application in two-wheel drive vehicles with two piece drivelines.

It has come to our attention that TITAN's 7030210 tank product **cannot be used in two-wheel drive models equipped with a two piece driveline.** This is due to an additional cross member which is utilized in these vehicles.

Please alert all dealers, distributors, and customers of this fact.

Call TITAN's Customer Service if you have any questions.
